CURE YOUR KIDNEYS.

Do Not Endanger Life When a Mays-
ville Citizen Shows You the Cure.

Why will people continue to suffer the
agonies of kidney complaint, headache, urinary
disorders, lameness, backache, languor, why
allow themselves to become chronic invalids,
when a certain cure is offered them?

Doan's Kidney Pills is the remedy to use,
because it gives to the kidneys the help they
need to perform their work.

If you have any, even one, of the symptoms
of kidney disease, cure yourself now, before
diabetes, dropsy or Bright's disease sets in.
Read this Maysville testimony:

Mrs. John T. Wallingford, 108 Commerce
street, Maysville, Ky., says: "Doan's Kidney
Pills have been used in my family with most
beneficial results and it affords me pleasure to
corroborate the testimonial we gave for publica-
tion in their favor some years ago."

Doan's Kidney Pills brought me great relief
and I have no hesitation in again recommend-
ing them."

plants require. This enables Underfeed users to

SAVE 1/2 TO 2/3 OF COAL BILLS

Mr. J. E. Crider, President of the Crider
Creamery Company, Fredonia, Ky.,
relates his Underfeed experience thus:

"We installed one of your No. 739 Underfeed
furnaces in our 12-room house about two years ago.
We have found the furnace very satisfactory in-
deed. The furnace is extremely economical, fires
easily and the heat is quite evenly distributed
throughout the various rooms. We use nut and
slack coal for fuel with perfect results and much
prefer the Underfeed to any heating device with
which we are familiar."

RUGGLES CAMPMEETING

Notes of Interest Gathered at These Beautiful Grounds

RUGGLES CAMPGROUNDS, August 4th, 1910.
Special Correspondence Public Ledger.

The oldest camper does not remember a Campmeeting when the weather was nearer perfect, when the place was more beautiful, or when there has ever been a happier and more congenial lot of campers than there is here this year. Those who are here for the first time are more than enthusiastic in their praise of the place. One party is having such a pleasant time that they are planning to erect a bungalow before next year and are making great preparations for future meetings.

The sun has shown beautifully today, bringing gladness into the hearts and lives of those who, on account of it being memorial day, might have been sadder. This day has been for years set aside as a day when services are held in memory of campers of other years who have passed over since last Campmeeting. Today the service was of special interest because of the memorial sermon being preached by Rev. H. C. Northcott, now in his eighty-eighth year. The Communion of the Lord's Supper was celebrated, after which the names of those who have died within the last year were read. Words of praise and appreciation were spoken in memory of each person by different Ministers and friends. These words showed that Campmeeting had been a great blessing and benediction to each of them. As one sits and hears the eulogies of the dead and hears of what a part the Campmeeting has held on the lives of the departed friends, one cannot help but feel what a great thing this Campmeeting has been and continues to be, for it is as surely fulfilling its mission now as it ever did. After the eulogies had been spoken, a sextet sang very sweetly, "Lead, Kindly Light," after which Rev. Northcott preached a sermon, with for clearness of argument and for its earnestness and power, would have done credit to a Preacher twenty years younger. At the conclusion of the sermon every one in the audience waved their handkerchiefs in the Chautauqua salute, and went forward and shook hands with the venerable prophet of old. The strain came near being too much for him, as he was overcome for some time after the service; he rallied, however, and is at himself again. He enjoys the newspapers, and always inquires for them. His interest in the Church and his desire for its success is great for one of his years. We hope he will live many more years to meet with us and by his hallowed presence bring joy to the camp.

the great Campmeeting above since last year: Rev. O. J. Howes, Mrs. John G. Brodt, George Kelly, Mrs. Ellen Lucas, Mrs. Margaret Hendrickson, Mrs. Sarah Beckett, Mrs. Annie A. Kolb, Mrs. Mary Stanley, S. L. Jones and Mrs. Nannie Glover.

Others services as usual, with the Rev. A. H. Davis as the Preacher at Bible study service and Dr. Blodgett at the evening service. The largest crowd of the year, excepting Sunday afternoon, was present tonight. The interest was splendid, the sermon inspiring and the singing very enthusiastic.

Rev. George W. Hinton of Covington arrived today to remain until Saturday.

Rev. N. H. Young and wife and Rev. A. Boring left for their homes this morning. Revs. D. Wendell Brown and O. J. Carder will leave in the morning. The girls are saying, "We love all the boys, but, O, you Dan!"

Rev. Mr. Williams, Pastor of the Tollesboro M. E. Church, South, was a visitor in camp today.

Mr. Charles Clark of Johnson Junction arrived today to enjoy the meetings for a while.

Today's arrivals from Maysville: Miss Louise Laubley, who is the guest of Miss Myrtle Crane, Pickett McClannahan, who comes in quest of more dry-land terrapins, Mr. Robert Luman and family and Mr. Robert Brodt.

Mr. Claude Muse of St. Louis is here this year camping with his mother and sisters.

This will appear Saturday, so let's tell you what there is for Sunday. First, is the great praise service at 9 a. m.; then we are to have Dr. Blodgett to preach for us; this in itself should insure a great crowd. Dr. Blodgett is proving even more than we had expected of him. He is a truly great Preacher. The

camp will be at its best and we would like to see the bigger part of Maysville out. J. H. R.

Friday, August 5th.

The census of the camp was taken this morning, with the following result: Total number of campers, 325, from 8 States and 48 different Postoffices. There were 250 Church members, distributed among the following denominations: Methodist, 200; Presbyterian, 14; Apostolic Holiness, 1; Roman Catholic, 7; Christian, 16; New Light, 2; Baptist, 8; United Brethren, 3; German Evangelical, 1; not members of any Church, 73. Our attendance of campers this year is not quite up to former years, which can be attributed wholly to the wet season preceding the Campmeeting. Had people known what fine weather we were to have the cottages would not have held the people. It is safe to predict a banner year for the next Campmeeting.

Miss Ellis Lewis McClannahan and Messrs. Willis Weis and Stanley Willett came out by auto this afternoon for a short stay with us.

Mr. and Mrs. Eugene Hughes and little son of Dayton, O., arrived today and will be the guests of her father, Mr. Louis Harding, and family, during the remainder of the meetings.

In its report of the recent meeting of the Bankers' Association held in that city The Ashland Independent says: "Should We Have a Central Bank?" was discussed at great length by Hon. J. N. Kehoe of Maysville. Mr. Kehoe showed that he had studied his subject and like most things that he undertakes, he mastered it. Seldom has it been our good pleasure to hear a more scholarly address. He answered the question in the affirmative, and so won his audience that he succeeded in having a resolution adopted before adjournment, favoring the establishment by the United States Government of a Central Bank."

One of the handsome society events of the week was the informal dance given by Miss Nannie Thompson at the charming home of her parents, Mr. and Mrs. A. H. Thompson of East Third street. The dance was in honor of her guests, Misses Mabel Scott of Harriman, Tenn., and Beale Stamper of Vanceburg. Misses Susan Thompson and Lunise Sallee presided over the punch bowl and Miss Myra Duke assisted in the dining-room, where were served cream in roses and individual cakes and mints.

The drawing-rooms were beautifully decorated with plants and cut flowers, the color scheme being pink and white.

Miss Scott was gowned in white lace over all. Miss Stamper, embroidered net over satin.

Miss Stamper, who is a graduate of Hamilton College, rendered several solos during the evening, which were very much enjoyed by all.

Musical was furnished during the entire evening by Spence Walker's Orchestra.

The guests departed at a late hour, voting Miss Thompson a charming hostess.

WILLIAMS—PIERCE

Although THE LEDGER made inquiry at the time of the rumor, the following is from The News Democrat of Georgetown, Ohio, the bride being a daughter of Mrs. Robert Pierce of West Second street and the groom having charge of the lunch stand at the C. and O. Depot—

"A marriage ceremony was performed in the parlors of the New Lewis Hotel Tuesday morning for Mr. Clark Williams, giving his home as Huntington, W. Va., and Miss Edith M. Pierce, who claimed temporary residence as Georgetown, Rev. Robertson performing the ceremony. The contracting parties were evidently from South of the Ohio river. It is believed that the bride's home is in Kentucky, and the suggestion was offered that she was a resident of Mayeville. Those apprised of the event were unimpressed as to the facts, but inasmuch as Miss Jesse Worick of the Clerk's office and Attorney James Tarbell were acting in the roles of 'best man' and 'best woman,' all further particulars are referred to them. The young people departed in the afternoon, supposedly to receive parental forgiveness."

FARMERS' INSTITUTE

Meeting Well Attended at the Sessions at Courthouse Yesterday

The Mason County Farmers' Institute convened yesterday morning at 10:30 at the Courthouse in this city, presided over by Mr. John G. Blair of Nicholas county.

The meeting was opened with prayer by Mr. John Bramel.

Hon. Thomas D. Slattery made the address of welcome, which was responded to by Mr. Blair.

In the election of permanent Chairman and Secretary Mr. David Hunter of Washington and Mr. H. L. Walsh of this city were chosen.

Judge W. H. Rice, with Dr. J. M. Farace as alternate, was chosen the delegate from Mason county to the State Institute.

A committee of three was appointed to ask the Fiscal Court for funds to pay the expenses of the delegate.

The afternoon session was not largely attended but those present were well repaid in listening to an interesting and educational speech by W. D. Nicholls on "Scientific Farming."

Mr. John G. Blair also delivered a timely talk on farming.

The night session was called off on account of lack of interest and non-attendance.

RURAL DELIVERY

Goods Roads Necessary in Securing and Retaining Routes

The rural free delivery does not pay and the Postoffice Department is very seriously considering the abolishment of those which pay least. It is said that the grounds upon which many of the routes will be discontinued will be the bad roads.

Hereafter no route will be established unless the road is good over by the Inspector and pronounced good.

Inspectors will also be sent out by the Government to go over many of the routes now in operation and if the roads are not satisfactory they will be discontinued.

This action upon the part of the Postoffice Department should stimulate the movement for good roads, for the farmers have gotten accustomed to getting their mail daily and do not want to do without it.

Not Sisters

Now and again you see two women passing down the street who look like sisters. You are astonished to learn that they are mother and daughter, and you realize that a woman at forty or forty-five ought to be at her finest and fairest. Why isn't it so?

The general health of woman is so intimately associated with the local health of the essentially feminine organs that there can be no red cheeks and round form where there is female weakness.

Women who have suffered from this trouble have found prompt relief and cure in the use of Dr. Pierce's Favorite Prescription. It gives vigor and vitality to the organs of womanhood. It clears the complexion, brightens the eyes and reddens the cheeks.

No alcohol, or habit-forming drugs is contained in "Favorite Prescription." Any sick woman may consult Dr. Pierce by letter, free. Every letter is held as sacredly confidential, and answered in a plain envelope. Address: World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

A MISSISSIPPI ENTHUSIAST

Mrs. Lena Gresham, of Clinton, Miss., Has a Few Facts to Tell Our Readers About Cardui.

Clinton, Miss.—"Thanks to Cardui," writes Mrs. Lena Gresham, of this place, "I have been greatly relieved."

"I suffered for three years from female inflammation, and had taken medicine from four different physicians without much benefit."

"I have received more benefit from seven bottles of Cardui, than from all the physicians."

Just try Cardui. That's all we ask. It speaks for itself. It has helped so many thousands, it must be able to help you.

Trying Cardui won't hurt you. It is safe, harmless, gentle in action, and purely vegetable.

If you are weak, tired, down and out, try Cardui.

If you are sick, miserable, and suffer from womanly pains, like headache, backache, dragging feelings; pains in side, arms, legs, etc.—try Cardui.

It is the medicine for all women. It is the tonic for you.
